I have read and understand the MLS Rules & Regulations and agree to be bound by them. *I understand that CDAR is working on an updated IDX policy and that it will include fees for this feed. I understand that at the time the policy is completed I will receive a copy of it and a bill for the fee. If I choose not to abide by the policy I can end my IDX feed at that time with no monies due. By paying the fee I agree to both the fee and the revised policy.*

I will be setting up my own program for IDX (Only broker participants are eligible for feeds of the RETS raw data).

I will be using a third party vendor (i.e.: web consultant) to set up my IDX program. I understand the vendor I choose and I (the broker participant) must sign a contract with the MLS before my vendor can be given any access to the MLS or any MLS information including the RETS feed.
