

Instructions for Completing your IDX/MLS Search Registration with the Middle Georgia Association of Realtors

The Middle Georgia Association of Realtors requires its members to obtain the IDX forms directly from them. Please contact the Middle Georgia MLS via email or phone to **request the paperwork for the IDX vendor/provider Constellation Web Solutions**. Once you obtain and complete the paperwork please send it directly to one of the following:

Email: IDXAdmin@Z57.com

Fax: 858-430-5599

Once received, we will have our IDX provider, Constellation Web Solutions, complete their portion of the paperwork and send it directly to the MLS for their approval. CWS and Z57 will be notified when your IDX request is approved by your MLS, and your IDX will then be activated on your website. You will be notified via email once this process is complete, or if any additional information is requested from your MLS during the process.

MLS approval of an IDX application typically takes 2-3 weeks, but varies by MLS.
